Rodent Solutions Guide Today

Globe

HUGE PRICE REDUCTION

Goliath gel, now even greater returns

The 3 most important items in treating a rodent problem

1 An effective professional strength rodenticide. Talon XT Pro is a good choice.

So every purchase of 2 x 10Kg of TalonXT PRO

2 Rodents operate in dark places so you need a good torch to inspect, and treat.

comes with a FREE Maglite

3 The knowledge and skill of a professional pest manager.

We will assist and support you with information sheets and training sessions for technicians.
